

# Senior Advisors – Financial Services

## Senior Advisors – Financial Services (Banking, Insurance & Capital Markets)

### Location: Copenhagen

Accenture is expanding rapidly in the Nordic Financial Services sector, and we are looking for experienced professionals who bring passion, deep industry know-how, and strong client advisory skills. As part of our Strategy & Consulting Financial Services team based in either Copenhagen, you will play a key role in driving growth, efficiency improvements, innovation, and transformation across leading financial institutions in the Nordics.

If you have a background in banking, fintech, insurance, pension or consulting — and want to make your mark influencing the Nordic financial landscape — this is the role for you.

### Your impact

You will engage directly with C-level leaders of major banks, fintech and insurance companies, acting as a trusted advisor to help them define their next wave of growth, efficiency improvements, digital transformation, and innovation, working at the intersection of business and technology. Your insights and network will play a pivotal role in expanding Accenture's footprint across the Nordic Financial Services landscape.

### What you will do

- Advising top financial institutions on strategy, digital transformation, and innovation
- Build and nurture strong relationships with senior leaders across top financial services players, contributing to both their business and technology strategy shaping and driving its execution
- Leverage your market insight to originate and shape new client opportunities, and identify growth and efficiency opportunities using data, technology, and AI
- Lead multidisciplinary teams and ensure value-driven project delivery, acting as a mentor and coach to junior colleagues
- Bring your perspective to strengthen our Financial Services community in Denmark

### Qualification

#### What you bring

- 4–10 years of experience in banking, insurance, or financial services consulting
- Strong understanding of digital banking, lending, payments, wealth management, or insurance
- Proven track record in client engagement, business development, or transformation programs
- Excellent communication skills in Danish Or Swedish and English
- A collaborative mindset and a passion for shaping the industry's future

### What's in it for you

- Visibility and impact: work directly with Nordic Financial Services leaders
- Variety: from digital transformation to AI, sustainability, and new business models
- Growth: a career path tailored to your ambitions and ongoing learning
- Collaboration: join a network of talented professionals and industry experts
- Diversity and inclusion: we value diverse teams and perspectives and are committed to creating an inclusive environment where everyone can thrive
- Rewards: competitive compensation, comprehensive benefits, and flexibility to manage your time
